

Saturday 16th February

[Return to Home Page](#)

Floor panels down and packed level. Hagley Park is NOT flat!

Sunday 17th February

[Return to Home Page](#)

Rick and Peter on the job. Mike is on the camera.

A great morning's work.

And by the end of the day the walls are done. The door undergoing trial fitting, and is yet to be finished.

Monday 18th February

[Return to Home Page](#)

Mike's floor "cobbles" are mostly all down and looking smart. The plastic is just for temporary dust and scratch protection.
