Car pooling and Room sharing will be discussed at the next meeting on 22nd Sept.

Marbling demonstration with Dick Veitch

Dick began with a history of paints.

Acrylic paint is used for marbling.

Finish the wood to 400 grit

Wet with alum

Aluminium Potassium Sulphate

Always plan

Use scribing block to mark straight line, otherwise may not be steady.

Use yellow or blue masking tape to define area to be marbled

Use distilled water in a basin

Squirt dark colour first on surface of water

Use 4 colours twice

Dip bowls flat surface onto paint surface then wash under running water.

Remove residual paint from surface of the water with paper towel.

Add new colours to surface.

Repeat with wooded piece

Refresh the paint on the water.

Dipped shawl buckle, added white to dip Christmas tree ball then wash again.

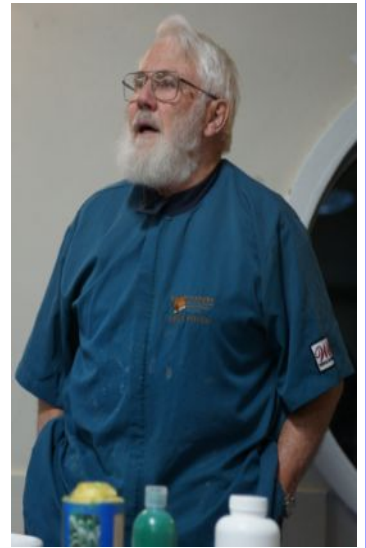

Use rectangular tray added 5 colours, raked surface placed in wooden cylinder segment.

Mounted wooded cylinder in chuck, masked with blue tape.

Set up air spray and pump compressor sprayed cylinder black while rotating chuck by hand.

After paint dried, removed the blue tape.

Thank you to Rick for taking these notes.

The new committee and how you can help

No new committee members but we did get a new secretary, Mark Teeboon.

If you would be willing to be on the committee or can help out at meetings, please let Ray know. There are a number of jobs such as sales of raffle tickets, collection of entry fee, sales of tools and the library for which you do not have to be on the committee.

Collaboration 2022 We will be running a collaboration event again on 29 and 30 January 2022. A different theme from the last event, we will be looking expressions of interest in being a part of this event at the September meeting. Either put your name down on the sheet by registration or send an email to Ray president.chchwoodturners@gmail.com.

Zoom meetings past and into the future

Two successful Zoom meetings held, one to replace the August Club meeting and another because we thought it would be of interest to our members. A reasonable turnout to both and arising from them a request to hold more Zoom meetings for members. For that to happen, we need from you some ideas as to the topics. Please email any suggestions to Ray. president.chchwoodturners@gmail.com

COVID 19

We are intending to hold a meeting at Wigram but that will be run with whatever restrictions are placed on group meetings. At the time of writing we are in level 2, the requirement is to wear a mask and maintain social distancing.

Demonstrators for our meetings at Wigram or even special events at the workshop

We are always on the lookout for demonstrators for our meetings. If you have a pet project you would like to share, please let us know. You don't have to do a full session, we can combine different topics into a full programme. Please email any suggestions to Ray. president.chchwoodturners@gmail.com

**Make (turn) and Play a simple recorder in the key of C
Saturday and Sunday the 27th and 28st November**

This is a Fourth Saturday Workshop event. We will be making the recorder on the Saturday and learning to play it for a couple of hours on the Sunday. There will be a minimum group size of 7 and a maximum size of 14 so enrol to save your place in this workshop. Six people have already enrolled.

Email joe.hayes.nz@gmail.com if you are interested in attending this workshop. There will be more details in the October Newsletter.
